LEARN STENOGRAPHY

This war has opened up untold advantages to men and women in every branch of trade and business. You never know when you may need the experience of a business education. All up to date business houses demand skilled help.

Those who are holding high positions are many who began as Stenographers and were so competent they soon proved themselves invaluable to their employers.

We place our pupils just as soon as they prove they are capable, and are constantly being asked for capable pupils to fill positions. Good stenographers were never in greater demand than at the present time. The odds are too great against the incompetent. New and rapidly expanding business houses do not employ the unprepared. Classes in SHORTHAND, TYPE, WRITING, BOOKKEEPING, FRENCH and ENGLISH are being formed now at the ELIZABETH CITY BUSINESS COLLEGE.

Frogs as Barometers.

Certain animals, according to a London naturalist, appear to act as live barometers. And in proof of this he says that while frogs remain yellow nothing but fine weather may be expected, but should their coats begin to assume a brown hue it is a sign of coming bad weather.

Now is seedling time if you expect to have a good and bountiful Harvest, you should plant good seed, our seed are as good as any and better than some.

Early Garden Peas, Beans, Corn, Onion Sets, and all other Garden Seed, Clover, Grass Seed and Seed Oats.

Feed For Stock and Poultry. Electric Supplies, Auto Lamps, Flash Lights and Batteries.
